

BISLEY UNVEILS A BOLD NEW COLLABORATION WITH RISOTTO STUDIO

A VIBRANT LIMITED-EDITION CAPSULE COLLECTION REIMAGINES FIVE ICONIC BISLEY PIECES WITH RISOTTO STUDIO'S SIGNATURE TETRIS PATTERN AND COLOUR THEORY

Bisley, the leading British storage and furniture manufacturer, is proud to announce its latest creative collaboration with Glasgow-based RISOTTO Studio — the vibrant print outfit helmed by celebrated designer Gabriella Marcella.

At the heart of the collection is the dynamic 'Tetris' pattern by RISOTTO Studio — a kaleidoscope of geometric shapes inspired by the classic video game with bold colour contrasts that reflects RISOTTO's playful design ethos and brings a fresh sense of energy to Bisley's design classics. This striking motif transforms everyday storage into functional works of art, ideal for those looking to inject a dose of creativity into their home, studio or workspace.

The five-piece collection launching at Clerkenwell Design Week includes reimagined versions of Bisley's most-loved products, two sideboards from the Fern collection boldly feature the Tetris pattern printed across the steel doors, while reimagined colourways of the iconic MultiDrawer are nostalgic, bold and eye catching — each updated in a joyful, limited-run that champions individuality, design-led living, and self-expression.

Marcella explains, *"Tetris brings order through play – which felt really fitting for this collaboration."*

Each piece is produced in limited numbers and reflects a shared belief between the two brands: that functional design can also be expressive, creative, and characterful. For Marcella, the project builds on her admiration of Bisley's legacy: *"This collaboration felt like a natural meeting point – two very different practices that both celebrate colour, utility, and British manufacturing."*

Bisley CEO Richard Costin adds:

"At Bisley, we're passionate about design that works hard and stands out. Collaborating with RISOTTO Studio allowed us to push the boundaries of our classics and explore what colour, pattern and personality can bring to our products. It's storage, but not as you know it."

The Bisley x RISOTTO Studio collection is available in limited numbers from [insert date] at bisley.com/shop. Prices start from £XX.

About Bisley

British furniture company Bisley is a design and manufacturing powerhouse. For over 90 years, Bisley has been creating solutions to meet the evolving needs of our home and workspaces with innovative products made from quality materials. From the humble beginnings of car body repairs in 1931, the company began producing workplace products in the 1940s. Today, Bisley manufactures over 15,000 items per week from its factory in Wales. Bisley products can be bought in over 50 countries, and organisations such as Direct Line, the BBC and PwC trust us to meet their office storage and furniture needs.

Bisley's spirit of innovation comes with a collective knowledge that comes from decades of experience. The company's success is based on an unstinting commitment to enduring relationships, attention to detail, the latest manufacturing technology and nurturing talent. Bisley's 500 employees push the boundaries of manufacturing excellence. An employee ownership trust since 2022, the company has invested more than £80 million in systems and processes since 1989, enabling it to become Europe's leading manufacturer of steel storage, with a third of all UK steel storage originating from Bisley.
